Old Business:

Beginning of Summer picnic was moved to the Alano Club due to rain. Thanks to John B and Reed and the others who helped.

Crescent Lake Campout planning

Need groups to sign up for potluck host group, and clean up host group. John B will get the trailer to and from campout. Jim B will be the wagon master.

Tickets will be made and distributed by Vickie after Heidi gives her the ticket template. The amount of tickets will be #60 adult tickets and #20 teen tickets. The number is lower than previous years because the parking gets very crowded and we do not want to exceed the maximum number of people allowed onsite.

New Business:

Need "How to Make Coffee" instructions to go with the new coffee maker.

Trailer: John B has offered to make a duplicate key for the trailer and attach hooks to the inside.

Vickie has resigned as Chairperson due to health reasons. Announcement will be made at Intergroup and position will be posted. Voting for a new chairperson will be next month.

Ogden Campout: tabled

Fate of Entertainment Committee: Discussion held due to lack of help at events and dwindling numbers of committee. Committee voted to continue the Entertainment Committee.
